# MODEL: SBHP AIR HANDLERS

**Humidity control.** The SBHP Air Handler manages humidity levels in the home, improving your comfort and helping you save money on energy bills.

**Designed for high performance.** The SBHP exceeds the standard efficiency requirements and, in many cases, enhances the efficiency rating of your outdoor air conditioning unit.

**Quiet operation.** SBHP Air Handlers are designed with a sturdy steel cabinet and one inch of foil-faced insulation, offering excellent thermal and sound insulation.

**Versatile design.** The 4-way convertible design of Russell™ By Rheem Air Handlers allows the unit to fit in with the design of your home.

Russell By Rheem is a new name in HVAC backed by 70+ years in the temperature-control industry developed to meet your needs and budget through practical, dependable HVAC products—Air Conditioners, Heat Pumps and Gas & Electric Furnaces—offering great performance with only the bells and whistles that matter, to keep your family comfortable day after day.
