Rheem Sales Company, Inc. manufactures the Russell by Rheem brand of residential heating & cooling products. In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.

¹Registration is required for the conditional parts and unit replacement warranty (if applicable). For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to RussellByRheem.com for a copy of the product warranty certificate. ²Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation; Sound levels are also dependent on furnace location and installation. ³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ⁴Proper sizing and installation of equipment is critical to achieve optimal performance; Ask your contractor for details or visit EnergyStar.gov. ⁵Wi-Fi broadband internet connection required. Download the EcoNet® App from the App Store® or Google Play® to set up your EcoNet Smart Thermostat. Receipt of notifications depend on home Wi-Fi setup. Packed With Features That Really Matter

Innovation You Can Count On

Patented industry-first features and advanced design make the Russell® by Rheem Vantix® S972V a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Parts + Limited Lifetime Heat Exchanger + 10-Year Conditional Unit Replacement.

Quieter Operation

Cozy and quiet vibes are guaranteed with our insulated cabinet and truly variable speed airflow technology—giving you one of the quieter furnaces available².

Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 97% AFUE, ENERGY STAR® certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings³ and potentially even more with available rebates.

Genuine Comfort

Powered by EcoNet® technology, the R972V, when paired with the EcoNet Smart Thermostat, enables automatic configuration and optimization. Additionally, two-stage heating and variable-speed technology deliver even, consistent warmth all winter, while helping manage humidity for greater year-round comfort.

Among Furnaces, This One's a Star⁴

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.
