Peace-Of-Mind Performance

Relax, you're covered by a dependable warranty[1] — 10 Year Conditional Parts.

Lower Environmental Impact

The 7mm condenser coil[2] reduces the amount of refrigerant required by up to 15%, lowering the amount of greenhouse gases emitted while contributing to our sustainability goal of a 50% reduction in our greenhouse gas footprint. A win for all of us.

Reduced Emissions

Households generate 72%[4] of greenhouse gas emissions, so switching to a heat pump can make a big difference for the environment—today.

Durable Curb Appeal

Louvered side panels provide excellent protection to internal components, while modern cabinet aesthetics, including the powder coat paint system and one-piece drawn and painted base pan, prevent corrosion—allowing your unit to put its best face forward for years to come.

Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our heat pumps are designed with acoustics in mind. Sound-dampening features such as refrigerant tubing design, fan blade approach, one-piece drawn and painted base pan and innovative compressor and drive technologies ensure that as efficiency increases, sound levels remain low.

SOUND RATING[3]

THIS MODEL ▶

30	Soft Whisper
40	Light Rain
50	Refrigerator Hum
60	Normal Conversation
70	Washing Machine
80	Alarm Clock

Among Heat Pumps, This One's A Star[5]

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

FEATURES AT A GLANCE

Cooling & Heating Efficiencies Up To:
16 SEER2 / 11.7 EER2 / 8.1 HSPF2

Nominal Sizes: 1.5 to 5 Tons

Cooling & Heating Capacities:
13.36 to 45.6 kBTU

Sound Rating[3]: As low as 72 dB

Compressor Type: Two-Stage

Condenser Coil Type[2]: 7mm

FEATURE HIGHLIGHTS

Expanded Valve Space:
Provides a minimum working area of 27-square in.

Easy Service Access:
15 in. wide industry leading corner service access, two-fastener removable corner and easily removable louver panels

Limited Warranty[1]:

Conditional Parts – 10 Years
(registration required)
