PEACE-OF-MIND
PERFORMANCE

Relax, you're covered by one of the best warranties in the industry[1]—up to 10 Year Limited Parts + Limited Lifetime Heat Exchanger[2].

QUIET
OPERATION

Sound levels range from quieter to quiet with insulated cabinets and truly variable speed airflow technology[3]—giving you one of the quietest furnace lines available[4].

EFFICIENT
COMFORT

Two-stage[5] (medium, low) or single-stage (low) heating operation[6], along with variable speed motor technology, ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

ENVIRONMENTALLY
FRIENDLIER

The ultra low-NOx operation of the S801****U model helps you lower your carbon footprint by minimizing greenhouse gases.

Simplified Install
& Service with
Bluetooth Technology

Built-in Bluetooth connectivity[7] makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.
