A Simply Smart Choice

Patented industry-first features and advanced design make the Russell® by Rheem Vantix™ S921T a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Conditional Parts + Limited Lifetime Heat Exchanger.

Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 92% AFUE, U.S. South ENERGY STAR® certified gas furnace will be up to 11 percent more efficient than standard models and can save an average of \$30 in energy costs each year² and potentially even more with available rebates.

Efficient Comfort

Constant torque ECM motor technology delivers the heated airflow to meet your requested warmth requirement.

Among Furnaces, This One's a Star³

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

A History of Innovation

We are proudly backed by nearly 100 years in the HVAC industry. We continue to give homeowners and business owners the innovative products that meet their needs and budget to keep people comfortable day after day—just as we've done for nearly a century.
