# ENDEAVOR®

## Innovation You Can Count On

Patented industry-first features and advanced design make the Ruud Endeavor WA15AY a smart choice.

### Peace-Of-Mind Performance

Relax, you're covered by a dependable warranty<sup>1</sup>—10 Year Conditional Parts.

### Lower Environmental Impact

The 7mm condenser coil reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to our sustainability goal of a 50% reduction in our greenhouse gas footprint. A win for all of us.

### Rugged Curb Appeal

Louvered side panels provide excellent protection to internal components, while modern cabinet aesthetics, including the powder coat paint system and one-piece drawn and painted base pan, prevent corrosion—allowing your unit to put its best face forward for years to come.

### Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our air conditioners are engineered with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

### SOUND RATING<sup>2</sup>

<sup>1</sup>For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to Ruud.com for a copy of the product warranty certificate. <sup>2</sup>Based on Internal R&D Testing, 2025. Sound levels are also dependent on proper installation and location of outdoor product. <sup>3</sup>Factory or field installed in the furnace coil or air handler and is applicable to the complete heating and cooling system featuring Low GWP Refrigerant (A2L).

### FEATURES AT A GLANCE

**Cooling Efficiencies Up To:**  
15.2 SEER2 / 12 EER2

**Refrigerant Type:** R-454B

**Nominal Sizes:** 1.5 to 5 Tons

**Cooling Capacities:** 17.1 to 57 kBTU

**Sound Rating<sup>2</sup>:** As low as 69 dB

**Compressor Type:** Single-Stage

**Condenser Coil Type:** 7mm

### Feature Highlights:

**Expanded Valve Space** – Provides a minimum working area of 27-square inches

**Refrigerant Detection System<sup>TM3</sup>** – Integrated, patented design providing system protection and homeowner peace-of-mind with low GWP refrigerant monitoring

### Limited Warranty<sup>1</sup>:

**Conditional Parts** – 10 Years  
(registration required)
