VERSUS®

WeatherKing® Versus® Line

The WeatherKing Versus Line WA13NZ Air Conditioner is ENERGY STAR® certified and provides dependable savings and comfort. It's designed for lasting, energy-efficient performance so you can rule your castle while saving money.

WeatherKing.com

VERSUS[®]

Innovation You Can Count On

Patented industry-first features and advanced design make the WeatherKing[®] Versus[®] WA13NZ a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by a dependable warranty¹—10 Year Conditional Parts.

Durable Curb Appeal

Louvered side panels provide excellent protection to internal components, while modern cabinet aesthetics, including the powder coat paint system and one-piece drawn and painted base pan, prevent corrosion—allowing your unit to put its best face forward for years to come.

Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our air conditioners are designed with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, a one-piece drawn base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise.

SOUND RATING³

Among Air Conditioners, This One's a Star⁴

Earning **ENERGY STAR[®]** recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.
