ENDEAVOR™

We Thought of Everything... & Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this heat pump to bring you and your family years of efficient and dependable comfort.

Innovation You Can Count On

Patented industry-first features and 360+1 design make the Rheem Endeavor RP14AZ a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹ – 10 Year Conditional Parts.

Less Environmental Impact

The 7mm condenser coil² reduces refrigerant requirements up to 15%. This lowers the amount of greenhouse gases emitted while contributing to Rheem's sustainability goal of a 50% reduction in our greenhouse gas footprint by 2025. A win for all of us.

Reduced Emissions

Households generate 72%³ of greenhouse gas emissions, so switching to a heat pump can make a big difference for the environment—today.

Durable Curb Appeal

Curved louvered panels and rugged corner posts provide excellent protection to internal components, while the overall modern cabinet aesthetics including the corrosion-resistant composite base pan and powder coat paint system allow your unit to put its best face forward for years to come.

Quiet Operation

Efficient home comfort shouldn't be noisy. That's why our heat pumps are designed with acoustics in mind. Sound-dampening features such as refrigerant tubing design, fan blade approach, composite base pan and innovative compressor and drive technologies ensure that as efficiency goes up, sound levels stay low.

SOUND RATING⁴

FEATURES AT A GLANCE

Cooling & Heating Efficiency:
14.3 SEER2 / 9 EER2 / 7.5 HSPF2

Nominal Sizes: 1.5 to 5 Tons

Cooling & Heating Capacities:
17.1 to 55.5 kBTU

EcoNet® Enabled: No

Sound Rating⁴: As low as 72 dB

Compressor Type: Two-Stage

Condenser Coil Type²: 7mm

PlusOnes:

PlusOne® Expanded Valve Space – Provides a minimum working area of 27-square in.

PlusOne Triple Service Access – 15 in. wide industry leading corner service access, two-fastener removable corner and easily removable individual louver panels
