

# ENDEAVOR™

[Ruud-Canada.ca/Endeavor](http://Ruud-Canada.ca/Endeavor)

## Performance and Sustainability You Can Rely On

Get reliable comfort for both your heating and cooling needs with the Ruud® Endeavor™ Line of Heat Pumps and Air Conditioners. The Ruud Endeavor Line offers an excellent range of choices designed for lasting energy-efficient performance that saves you money while delivering peace of mind.

# Keep Reliably Warm... or Cool

## PEACE-OF-MIND PERFORMANCE

Relax, you're covered by one of the best warranties in the industry<sup>1</sup>—10 Year Parts + 10 Year Conditional Unit Replacement<sup>2</sup>.

## QUIET OPERATION

Efficient home comfort shouldn't be noisy. That's why our air conditioners and heat pumps are engineered with acoustics in mind. Integrated sound-dampening features such as refrigerant tubing design, fan blade approach, composite base pan and innovative compressor and drive technologies let you enjoy more efficiency—and less noise<sup>3</sup>.

## REDUCED EMISSIONS

Households generate 72%<sup>4</sup> of greenhouse gas emissions, so switching to a heat pump can make a big difference for the environment—today.

## PRECISE COMFORT

Inverter-driven, variable speed compressor<sup>5</sup> (between 40% and 100% of capacity), variable speed twin rotary compressor<sup>6</sup> (between 40% and 70% of capacity, ramping up to 100% when required), two-stage<sup>7</sup> (high, low) or single-stage<sup>8</sup> technology work to continuously meet your ever-changing cooling needs. You'll enjoy steady temperature and advanced humidity control that combine to exceed your optimal comfort expectations.

## EcoNet<sup>®</sup>

Several of the Ruud Endeavor Line Heat Pumps and Air Conditioners operate with the easy-to-use EcoNet Smart Thermostat, which optimizes system performance and provides a new level of protection and precision comfort **with features like:**

- Communication with latest sensor technology
- Control of your thermostat from anywhere via the EcoNet App<sup>9</sup>
- Alerts sent directly to your phone or email

## A Smart Way to Live Both **Comfortably** and **Sustainably**

Several of the Ruud Endeavor Line Heat Pumps and Air Conditioners have earned our Sustainability Standout Seal, indicating they're among the best of the best. We created the Seal to help you more easily find the products that save energy, save money and save the planet.

## Among Heat Pumps and Air Conditioners, **These Are Stars**

Earning ENERGY STAR<sup>®</sup> recognition means products meet strict energy efficiency guidelines set by Natural Resources Canada and several of the Ruud Endeavor Heat Pumps and Air Conditioners are ENERGY STAR<sup>®</sup> certified, offering annual energy cost savings<sup>10</sup>.

## Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth<sup>®</sup> connectivity<sup>11</sup> on many of the Heat Pump and Air Conditioner models make it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.

## TESTED. TRUSTED. **TOUGH.**

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Ruud different—and better.

## We Thought of Everything... & Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on these heat pumps and air conditioners to bring you and your family years of efficient and dependable comfort.

# Ruud® Endeavor™ Line Heat Pump Series\*

Welcome reliable comfort into your home with the Ruud® Endeavor™ Line of Heat Pumps. The line offers a range of models designed to provide efficient and consistent heating and cooling to keep your utility bills low, season after season.
